

Proposed Front-of-School Works on Harold's Cross Road

We are delighted to see Dublin City Council's plans for a **School Zone on Harold's Cross Road**, which focus on making our front entrance safer and more visible. We have been requesting these measures since the early days of our school opening, and the plans are available online at:

<https://consultation.dublincity.ie/traffic-and-transport/haroldscrossroad/>

This scheme is open for feedback until **Thursday 30th** November. There is an **online survey** to share feedback on the proposed measures on Dublin City Council's website along with all the planning documents. Your feedback will show how much road safety around our school matters to us, and that we are engaged and committed to improving active travel to our school. We very much encourage you to contact Dublin City Council using the QR code below or sign the letter in the office.

Proposed Works online survey

Closing date Thursday, 30th November
